Terms and Conditions

1. Owner of the Dam agrees to pay \$300.00 due at the time a tie is made.
2. One live birth constitutes a litter.
3. Owner of the Stud has no control over the litter's size as adults, future temperaments and habits, or appearance.
4. Owner of the Stud is not responsible for any of the following conditions that may occur within the litter as they are cosmetic and not life threatening and are also common among the Shih Tzu breed: Umbilical Hernias, Pinched Nostrils, Open Fontanels, Cherry Eye, and Misaligned Teeth.
5. Should the Dam fail to produce a litter, a repeat breeding at the Dam's next heat will be repeated free of charge.
6. Should the Dam whelp a dead litter, a repeat breeding at the Dam's next heat will be repeated free of charge.
7. Should the Dam fail to produce a litter or whelp a dead litter after the return service, a repeat breeding will occur free of charge until the Dam produces a litter.
8. Should the Dam fail to produce a litter or whelp a dead litter after multiple breeding, this contract is void and the stud fee is nonrefundable as the problem lies within the Dam, not the Stud.
9. Owner of the Dam agrees to confine the Dam after the Owner of the Stud returns her to ensure she has no contact with any other male.
